

MAGNA PARK

FEBRUARY 2017

BUSINESS DIRECTORY

IDI Gazeley has created this business directory to help foster stronger relationships between Magna Park occupiers and local businesses. The local business community provides significant support to the burgeoning logistics sector, and its contributions to the success of the park and the local economy are extremely valuable. On behalf of Magna Park we would like to thank local businesses for participating in the formation of this business directory and for the support they provide across the park.

If you have any further questions about Magna Park, or would like to be featured in the directory going forwards, please don't hesitate to get in touch on **020 3757 6742**.

MAGNA PARK

FEBRUARY 2017

BUSINESS DIRECTORY

The Magna Park Business Directory has been established by IDI Gazeley to enhance the relationship between local businesses and the suppliers at the park.

MAKE MINE A DOUBLE

WHETHER YOU ARE STORING WHISKEY OR WIDGETS, DO YOU NEED TO CREATE MORE SPACE IN YOUR WAREHOUSE?

More storage doesn't mean compromising on safety. Passha Storage & Interiors can give you up to double the storage space. By creating extra space through installing a mezzanine level in your building or improving the efficiency of your warehouse racking, you could generate extra space you never knew existed.

Our SEMA approved inspector can review your premises to ensure that you are compliant with current safety legislation, then suggest ways to improve your capacity. Imagine doubling your storage space without doubling the size of your premises?

Our clients including HMV Retail, AGA Rangemaster, Macfarlane Packaging, The Cambridge Weight Plan and a number of leading high street names. We have a huge amount of experience in rack safety and storage solutions that we can put to use in your building.

With safety and storage solutions covered across the UK, call Passha today for a no obligation consultation and to find out more.
