

Customer & Community

Oct26 Summary

MAGNA PARK LUTTERWORTH

October saw the official launch of our new electric HGV Park - Electroway. It was great to see so many attendees and we had the privilege of burying time capsules at the site with students from schools in the local area. The students filled their capsules with their thoughts, hopes and dreams for the future and in 50 years time we hope to dig them up and see if any of their predictions were correct.

Harborough District Community Awards 2026

We were privileged to attend the Harborough District Awards to celebrate the nominations of The Dementia Centre and Mel from DHL and all the work they do raising awareness of dementia across their business sector

MONTH

On Thursday 19th November we will be celebrating International Men's Day with a speed networking event for students from the local area. We want to showcase the range of different careers available across the sector so please get in touch if you would like to support

We're supporting Toys on the Table again this year. Look out for details of how to donate

Our spooky Halloween Treasure Trail will be running at Bittesby Country Park between Friday 30th - Sunday 01st November
